

# PROJECT RESOURCES AND CAPABILITIES

## Collaborative Solutions

- Risk Mitigation
- Sourcing Expertise and Assistance
- PVF Category Intelligence
- Direct Manufacturer Alignment
- Unbiased Approach
- Dedicated Personnel
- Warehousing
- Expediting
- Document Control
- Marshaling
- Stage & Release
- Project Management
- AML Assistance
- Quality Assurance / Quality Control
- Total Cost of Ownership

## **INVENTORY, QUALITY, EFFICIENCY, SERVICE**

### **Complete Offering of Industrial Products and Services**

#### **Commodity valves**

Gate, Glove & Check Valves  
Ball Valves  
Butterfly Valves

#### **Pipeline / API 6D Valves**

Trunnion Ball Valves (Cast and Forged)  
Slab and Expanding Gates  
Double Block & Bleed Plug  
Check Valves

#### **Actuators**

Electric  
Pneumatic  
GIG / GPO - Direct Gas, Gas Over Oil

#### **Engineered Products**

Custody Transfer Meters & Control Valves  
Platforms, Gangways, & Access Equipment  
Loading Arms - Truck & Rail  
Grounding Equipment  
Additive Injectors  
Pipe Supports  
Closures  
Pipeline Strainers  
Pumps

#### **Pipe, Fittings and Flanges**

Carbon & Stainless Steel  
High Yield  
Chromes  
Nickels & Alloys  
HDPE  
Low RE Carbon Steel for HF Alkylation

#### **Specialty & Severe Service Applications**

Bellow Seal Globe Valves  
Metal Seated Ball Valves  
Rising Stem Ball Valves  
Control Valves  
HF Alkylation

#### **Field Services**

Start-up and Commissioning  
Troubleshooting  
Maintenance  
Training  
Ongoing Product Support
