

Distribution Redefined

INVENTORY, QUALITY, EFFICIENCY, SERVICE

Complete Offering of Industrial Products and Services

QUALITY

- ▶ Manufacturer Qualification Procedure
- ▶ Unique Purchase Products Specification
- ▶ First Article Testing
- ▶ Material Verification Procedure
- ▶ Heat Number Level Receiving Process in ERP
- ▶ Heat Number, Item Number and MTRs on one ERP Platform
- ▶ Product & MFG Segregation
- ▶ Documentation Control

INDUSTRY & SUPPLY CHAIN EXPERTISE AND EXPERIENCE

- ▶ Industry's Most Extensive Global & Domestic Supply Chain Relationships
- ▶ Understanding of Customer Specifications
- ▶ AML Expertise and Assistance
- ▶ Best-in-class Focus, Responsiveness and Customer Service
- ▶ World-class ERP Controlling End-to-end Quality
- ▶ Widest Selection of Approved Inventory in Stock

PROJECT RESOURCES AND CAPABILITIES

Collaborative Solutions

- Risk Mitigation
- Sourcing Expertise and Assistance
- PVF Category Intelligence
- Direct Manufacturer Alignment
- Unbiased Approach
- Dedicated Personnel
- Warehousing / Marshalling
- Expediting
- Document Control
- Stage & Release
- Project Management
- AML Assistance
- Quality Assurance / Quality Control
- Total Cost of Ownership

INVENTORY, QUALITY, EFFICIENCY, SERVICE

Complete Offering of Industrial Products and Services

Commodity Valves

Gate, Globe & Check Valves
Ball Valves
Butterfly Valves

Pipeline / API 6D Valves

Trunnion Ball Valves (Cast and Forged)
Slab and Expanding Gates
Double Block & Bleed Expanding Plug
Check Valves

Specialty & Severe Service Applications

Bellow Seal Globe Valves
Metal Seated Ball Valves
Rising Stem Ball Valves
Control Valves
HF Alkylation

Engineered Products

Custody Transfer Meters & Control Valves
Gangways & Access Equipment
Loading Arms - Truck & Rail
Grounding Equipment
Additive Injectors
Tank Gauging
Presets / Hardware / Software Solutions
Pipeline Strainers
Pumps
Tank Equipment (PVV, Water Draw,
Gauge Hatches, and Manways)

Pipe, Fittings and Flanges

Carbon & Stainless
Low Temp
High Yield
Chromes
Nickels & Alloys
Low RE Carbon Steel for HF Alkylation
